Thank You
Special thanks to Wicks Sporting Goods in Exton. They have generously donated ski rentals to us for this season. Hopefully our skiers will have lots of snow to put that equipment to good use!

Chester County Special Olympics is solely run by volunteer efforts. If you have time to offer, you may assist the organization in office help, coaching, donations, event planning, etc. Do not be shy, we could use your help!

Do you think you have what it takes to be a coach? There's a training session March 6th in Kutztown. You must be registered by Feb 12th to attend. Let us know if you're interested.

Swimming
 Please note, the lap swimming at West Chester Y is only appropriate for those who can already swim independently. If you have questions about your swimmers ability level contact Angie Robinson at 610-431-2098 or angie.robinson@robinsonsales.com. There is lap & instructional swimming at the Brandywine Y. For that program, contact Heather 610-659-0430.

Thanks to O'Grady's Restaurant in Phoenixville for donating to us a part of one day's proceeds as well as the revenue from raffling some great gift baskets. Maybe you were lucky enough to have won a basket!

Again we are grateful for the generosity of the Valor Bowl Organizers who donated \$35,000 to help us continue this program. That money goes directly to support the Special Olympic athletes of Chester County. The 2010 Valor Bowl will be held at Great Valley High School in May 2010. Please plan to attend and cheer on your senior high school All Stars.

At this time, the skiing program is full. Please note that we **do not** offer "handicapped" skiing. We don't have the equipment or the coaches. If you have questions, contact Paula Bewley at paulabe@cciu.org

The annual Track & Field event in Coatesville will be held Friday May 7th with a rain date of the 10th. This year we may try to split the event to two different venues because it has gotten so large. Please check our web site for any changes.

MEDICAL FORMS
 Please make sure you have a current medical form to give to your coach at your first practice. Medical forms are required to participate in Special Olympics. Medicals are valid for 3 years from the date of the doctors signature. Please keep a copy for yourself.
